CUSTOMIZED BUSINESS ASSISTANCE

Let O'Brien County Economic Development
help you grow your business.....

O'BRIEN COUNTY ECONOMIC DEVELOPMENT CORPORATION

WHO ARE WE?

**We are the people with the
CAN DO ATTITUDE!**

O'Brien County Economic Development is a private, non-profit organization incorporated for the purpose of promoting economic development in O'Brien County and the surrounding area. Archer, Calumet, Hartley, Paullina, Primghar, Sanborn, Sheldon, Sutherland and O'Brien County signed agreements to work together for this purpose.

WHAT DO WE DO?

- Existing business assistance
- Business recruitment
- Business expansion
- Business plan assistance
- Marketing plan assistance
- Funding
- New business start-ups
- Entrepreneurial support and assistance
- Licenses, permits, Federal ID numbers, corporate names
- Building and site location

HOW DO WE DO IT?

We treat your business matters confidentially. You can meet with us to share your thoughts and ideas. We brainstorm with you and our extensive network of business experts to come up with ways to make your business ideas come to life. We meet with you on your turf or ours, what ever works out best for you. In other words.....

we work together.
